WHAT IS THE COVERS DIY DISCOUNT MEMBERSHIP?

Thank you for applying for the Covers DIY Discount Membership. We hope with a range of over 30,000 products, we can provide a 'one-stop' shop for all of your DIY needs.

We will in the first instance provide you with a Covers DIY Discount Membership card. It may be used at any department in any of our depots. Alternatively, please provide a valid email address to a member of our sales team prior to commencing the transaction. Therefore you don't need to fill up your wallet or purse with yet another loyalty or discount card!

The Covers DIY Discount Membership entitles you to purchase products at a discounted price. There are, however, certain lines which will not attract any discount.

Examples are as follows:-

- Special Offers and items currently reduced in price
- Nett priced items where further discounts are not possible (details available at point of sale)

Should you request a quotation, either in person, by telephone or via our website (www.covers.biz), always ensure the sales staff are aware that you have a Covers DIY Discount Membership card, advise us of your email address or name and your discounted price will be quoted.

Within the Covers group we have a wide range of experience and expertise and our Sales staff will be pleased to assist you on any enquiry. Our Sales Office staff can source items that we do not stock or are 'one offs' and look forward to a challenge.

The Covers DIY Discount Membership does not entitle you to purchase on credit. All items must be paid for in full before they leave Covers' premises and deposits may be required for special orders. Covers reserve the right to withdraw or alter the terms of your Covers DIY Discount Membership without notice. Your Covers DIY Discount Membership is for your benefit only and is not to be lent or given, for use by any other person.

We look forward to serving you.
