

Product Information

Brett Regatta TRIO and DUO are lightly riven paving units designed to give a subtle surface aesthetic. Regatta TRIO and DUO can be laid either independently of each other or in conjunction to give a wide variety of pattern options.

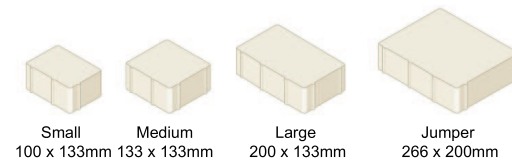

Available in one thickness and three colours, Brett Regatta TRIO and DUO are suitable for most residential applications.

Brett Regatta TRIO and DUO have a number of complementary products available. These include a circle pack and kerb units.

Brett Regatta TRIO and DUO pavements should be designed and constructed in accordance with the requirements of BS 7533.
